WHAT ARE YOU LOOKING FOR?

To further your professional development by gaining a postgraduate qualification enabling you to graduate with the academic title of Master of Laws (LL.M.)?

To work in a leading position in the legal field?

To acquire knowledge on the methods and procedures of European law with the opportunity to specialise in a specific area?

A balance between theoretical learning and practical training in order to enable you to apply your newly obtained skills and knowledge?

A well-balanced working environment that provides focused training as well as a strong team spirit?

WHAT WE OFFER

A one-year postgraduate online LL.M. programme at one of the oldest and most renowned law faculties in Germany

The European Legal Perspectives LL.M. prepares you for top-ranking employment in the European Union or indeed globally

Foundational knowledge, including historical, political and economic perspectives, is provided during the first semester, specialisation in one of four optional areas is foreseen during the second semester

Studies of real cases that require students to actively work for solutions by applying the law while you stay in communication with the teaching staff

Small classes of max. 25 students per cohort
